

User Guide

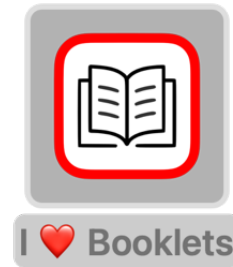

I ❤️ Booklets

Need help ?
ilovebooklets@douwere.com.

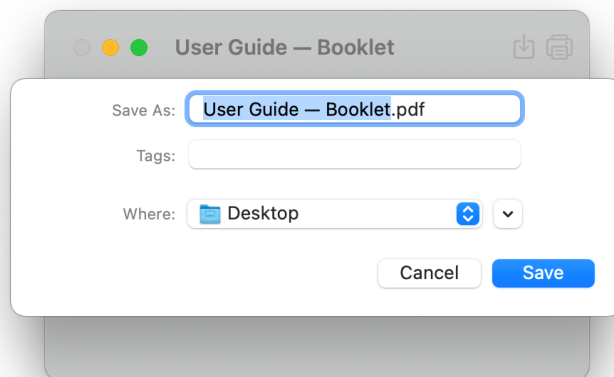

1

Open your .pdf book, using the App.
(for example, by dropping the book on the App icon).

2a

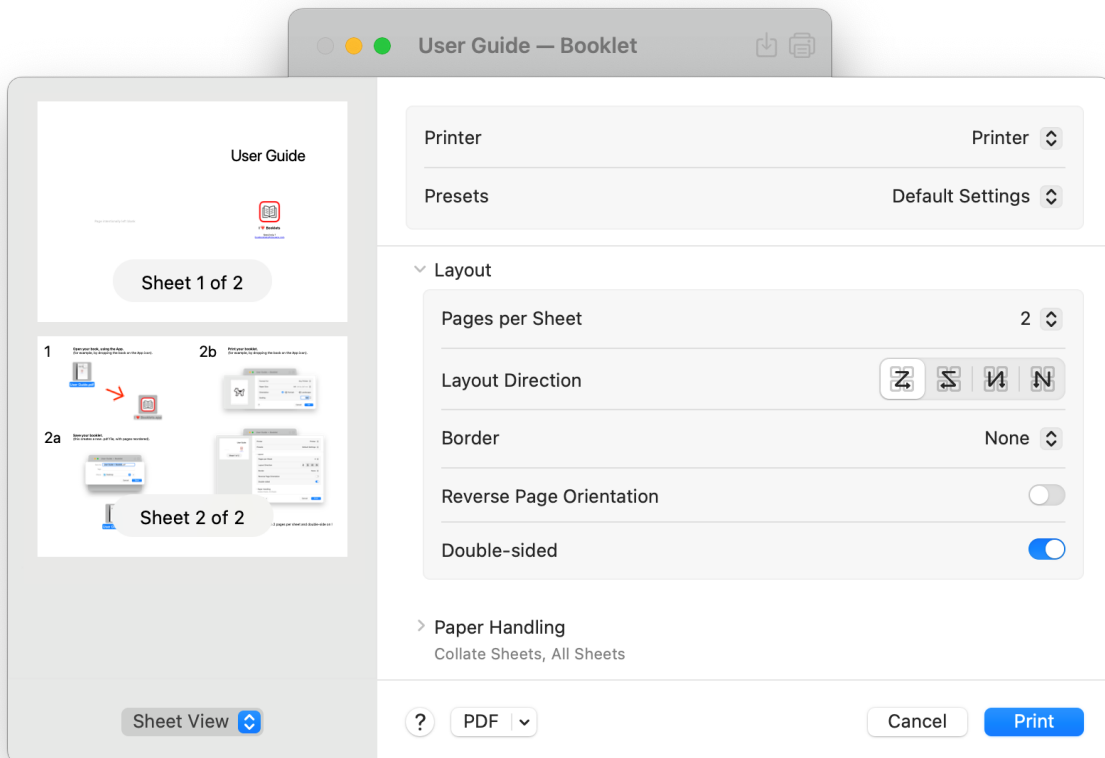

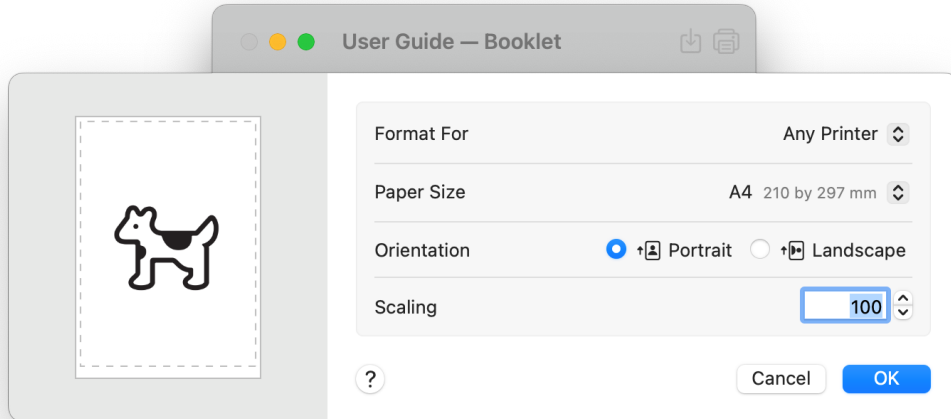

Save your booklet.
This just creates a new .pdf file, with pages correctly reordered.

User Guide —
Booklet

2b

Print your booklet.
Adjust settings according to your printer.

Be sure to print at 100%, with 2 pages per sheet and double-side on !
